- 
- This diagram shows the elevation view of a bridge deck joint assembly. It includes a dimension line at the bottom indicating a length of 8 FEET ±1.0". The assembly consists of several components labeled with circled numbers: 1 (top plate), 2 (vertical stiffeners), 3 (top reinforcement), 4 (bottom reinforcement), 5 (bottom plate), and 7 (a central vertical component). A dashed circle highlights a specific detail of the joint, with a callout pointing to 'SEE DETAIL A'. A dimension of 1.00 is shown for a specific section of the joint. The labels 'J1' and 'J' are positioned at the far left and right ends of the assembly, respectively.
