

How to assemble 60W three-piece solar panel sets

189 Beth Bartel March 28, 2010 [Solar](#) 995

Assembly Instructions for 60W Three Piece Solar Panel Sets

Version 5/13/02

Authors: Effendi Sihombing, Victoria Andreatta, Luanne Nelson, and John Owen

This document details how to prepare the three-piece solar panel sets from materials purchased by UNAVCO. This document does not relate to field deployment of solar panels. See [attached .pdf](#).
