UNAVCO Resources: GPS Survey Controllers

523 Beth Bartel August 24, 2016 GNSS Survey Controllers 3498

GPS Survey Controllers

Trimble

UNAVCO has three types of Trimble survey controllers in our equipment pool. Data from all Trimble survey controllers can be downloaded using the Trimble Data Transfer Utility. For more or updated information on any of the survey controllers or Trimble's Survey Controller software, go to the Trimble Support Page.

Trimble TSC2 survey controller.

Trimble TSC2

Navigate the TSC2 either via the touchscreen or using the keypad. Data are stored internally.

- Trimble TSC2 Data Controller and Survey Controller - Complete Quick-start Guide (.pdf)
- Trimble TSC2 Datasheet (.pdf)
- Trimble Survey Controller software v12.45 Help File (.pdf)
- Trimble Survey Controller software v12.45 Release Notes (.pdf)

Trimble TSCe survey controller.

Trimble TSCe

Navigate the TSCe via the touchscreen or using the keypad. Data are stored internally.

- Trimble Survey Controller software v11.40 Help File (.pdf)
- Trimble Survey Controller software v11.40 Release Notes (.pdf)

Trimble TSC1 survey controller.

Trimble TSC1

Navigate the TSC1 using the keypad. Data can be stored internally or on a removable PCMCIA card or a compact flash cared in a PCMCIA adapter. Download data using the Trimble Data Transfer Utility either directly off the removable PCMCIA/CF card or via serial connection to the controller.

- Trimble TSC1 - How to download data from the PCMCIA or compact flash card
