

Canadian Marconi AllStar - AllStar User's Manual

636 Beth Bartel February 16, 2010 [Canadian Marconi Company \(CMC\)](#) 723

The [attached .pdf document](#) contains the user manual for AllStar P/N 220-600944-0XX. This receiver is embedded in a FreeWave or Intuicom radio casing and used for L1 deployments, e.g. at Taal volcano, Philippines; Kilauea volcano, Hawaii; Mt. Erebus, Antarctica, and along the Hayward fault, California.
